HYDRAULIC LIFT

The Newgren Company

Monroe Hydraulic Lift	225.00
Quick Disconnect	12.50

LOADER

Baldwin Iron Works

Jeep Front End Loader complete with the heavy material bucket, does not include hydraulic system.	320.00
Snow Scoop, 42" long	87.50
Buck Rake, 10', nine 7' metal tipped teeth	125.00
Manure Fork	47.00

Standard Iron & Wire Works, Inc.

Mahl Jeep Loader Model JA	
Main Frame	343.00
Includes the following:	
Rear Mounting	
Cylinder and Cylinder Mounting	
Control Valve Mounting Bracket	
Pump Mounting Bracket	
All Hoses	
Overload Wheels	
Attachments for use with the Mahl Jeep Loader	
Snow and Produce Scoop	81.50
Dirt and Sand Bucket	46.75
18" Extension Arms	29.95
Dozer Blade	58.25
(Including Hardened Cutting Blade)	
V-Type Snow Plow	120.00
Stacker Head	225.00
Includes the following:	
Stacker	
Hoses for Stacker	
(Stacker requires additional valve to operate Push-off Cylinder)	
Energy Conversion Valve	24.50

MOWER

SALES BULLETIN

TO: ALL WILLYS-OVERLAND DISTRIBUTORS
AND DEALERS

128

LITERATURE RELEASE

NO. June 30, 1948

DATE

SUBJECT:

We are pleased to enclose the first copies of the new lineup of literature, illustrating and describing the expanded line of Newgren implements and accessories designed for the Jeep equipped with the Monroe Hydraulic Lift.

The eight sheets enclosed, which are punched for catalog use and also prepared for consumer use with provision for your name and address, feature the following equipment:

<u>Form No.</u>	<u>Item</u>
N-161	Double Bottom Moldboard Plow - General Purpose Base
N-162	Double Bottom Moldboard Plow - Slat Base
N-163	Double Bottom Moldboard Plow - Forgy Base
N-168	Field and Pasture Cultivator
N-165	Pull-Type Disc Harrow
N-164	Hydro-Grader and Terracer
N-160	Lift Stabilizer Kit
N-166	Body Extension (Revision of Form No. 101-W)

As you will note, all this literature was prepared with the idea of providing you with material which will picture and describe the implements in detail, as they are used with the Jeep equipped with the Monroe Hydraulic lift, and in action in the field. In addition to specifications and other information about the implements themselves, you will find material on how and where the implements should be used, and their advantages.

Similar literature on other Newgren implements will be sent to you at frequent intervals, as it is prepared and received from the printer. Limited additional quantities are available. Kindly order by the form number.

Very truly yours,

THE NEWGREN COMPANY

THE NEWGREN COMPANY

SALES BULLETIN

NO. 144
DATE Sept. 1, 1948

SUBJECT:

TO ALL DISTRIBUTORS AND DEALERS

Gentlemen:

We are very pleased to enclose the first copies to come off the press of catalog pages to serve as sales literature on five additional Newgren implements. These are:

Newgren Lift-Type Mower
Newgren Bush and Bog Harrow
Newgren All-Purpose Earth Mower
Newgren Spring-Tooth Harrow
Newgren Rear End Terracing Blade

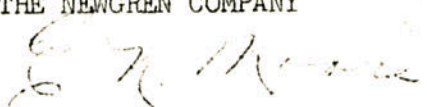

As you will note, these new pages are standardized in style, size and appearance and give you, in addition to the major specifications of the implements, the highlights of the jobs each implement will do.

We are proceeding with the preparation of new literature on additional implements, and shortly will be able to supply you with catalog pages on the Newgren Single-Bottom Plow, the Newgren Sprayer and others. Very shortly we hope to have the complete line covered with new literature as well as with service instructions and various other educational and promotional material.

Additional copies of the enclosed pages are available on request, and will be shipped out promptly for current requirements as well as for use at the fairs and other special events.

Very truly yours,

THE NEWGREN COMPANY

E. N. Moore,
Advertising Manager
